Women Development Cell

A Report on National Girl Child Day celebration on 25/01/2020 of NSS & WDC

Department Name: Women Development Cell

Event NAME: National Girl Child Day

Event Date, Time and Location: 25/01/2020, 3:30 PM Metal Ground

Brief Description of the Event:

The program started with an introductory speech about the importance of this day and why it is celebrated. After that Dr. S.A. Rankawat (WDC Head) shared his view on women and her importance in the society.

Then a drama was presented by NSS unit showing how girls are treated in society, what are the myths that must be stopped, what kind of mentality people have regarding rape victims that are required to be terminated and many other small but generally speaking lines or comments passed by people on girls. And at the end of the program they tried to spread awareness regarding such acts that dishonour a girl must be stopped.

Following the drama there was a speech given by WDC coordinators regarding the achievements women have achieved and tried to encourage girls that they should also follow their passion and do something great in their life just like the examples given previously.

After this speech two more speeches were given by Mr. S.I. Patel , Ms Pinal Patel and Dr. Dipali Shah. They shared their views on the importance of women and the balance that we need to maintain between girls and boys for the benefit of the society only

Major Outcomes of Event:

Then an open mike program was organized so that new faces get an opportunity to show their talents in front of everyone so that confidence can be built in the students as well as to

remove stage fear in many hearts. And at the end of the program they tried to spread awareness regarding such acts that dishonour a girl must be stopped.

Then came the speech given by Dr. Daksha diwan followed by vote of thanks.
